

## Dale and Judy Foster

Dale and Judy grew up in Illinois and first met as young teenagers when attending church camp at Nazarene Acres near Springfield. When Dale's father accepted the pastorate in Judy's hometown, they began dating, became high school sweethearts and married in 1962. Dale graduated from Gem City Business College and began a lifelong career in banking later graduating from the AIB School for Bank Administration. Judy graduated from Ayers School of Business and worked as a secretary until they began a family. They have four daughters, three sons-in-law and eight grandchildren.

The last twenty-two years before retirement, Dale was coordinator of a banking and travel club designed for seniors and they traveled the world as tour leaders for bank customers. Dale always said he had the best job in town and no one argued with him.

Through the years of raising a family and serving the Lord, they held most of the offices of the church at one time or another: Sunday School Superintendent, Treasurer, President of the Missionary Society, SS and Church Board Member, SS Teacher, etc. When they retired they left IL to move to Kansas City where two of their daughters lived.

Their love of camping began when their girls were young and they borrowed a pop-up camper several years in a row and traveled all over the west and Canada. It became a dream at that time to own a motor home and travel when they retired. ROAM has allowed them to combine that goal with a desire to remain useful and busy as they continue to serve the Lord. They have served at Camp Arrowhead in TX and for the past four summers at Golden Bell Campground in CO.
