

Daniel and Lutrecia Church

Daniel grew up in Jetmore, Kansas. His dad was a carpenter and Daniel used the skills taught him by his father to work his way through college at Fort Hays State in Hays, Kansas, graduating with a B.A. in Chemistry. He worked as a chemist in several major companies in the Kansas City area for 29 years. His interest switched to Laboratory Automation in the early 80's and he obtained a M.A. in Computer Management. Retiring from Marion Merrill Dow in 1991, he launched his own computer consulting business until 1998. In 1998 he decided to return to his roots as a carpenter and spent the next several years rehabbing and "flipping" houses until officially retiring in 2005.

Trecia has a B.S. in Biology and a Master's in Business Administration and Management. Her professional experience is Cancer Research, Microbiologist, and Clinical Research. After retirement in 2010, Trecia trained with Light University for Biblical Counseling and Life Coaching (certified). She has been working as a volunteer Counselor and Coach for two churches for the last seven years.

Daniel and Lutrecia have been Nazarenes since 1993, attending First Church in Kansas City until moving to Arkansas in 2004. Currently members of Bentonville Church of the Nazarene, both have held numerous positions in the church. Daniel is active in Compassionate Ministries. Trecia is the leader of The Good Samaritans, a part of Compassionate Ministries in their church and has previously served on the boards at both First Church of the Nazarene in Kansas City and Bentonville Church of the Nazarene.

Dan and Trecia received and responded to the call to missions in 1997 during a revival at Kansas City First Church. Trecia had the vision of going to help small churches after they retired. At a District Assembly Trecia attended a session on ROAM. They purchased a travel trailer and started ROAM trips in 2009. Prior to joining ROAM, they went on eight Work and Witness trips including the US, Caribbean, the Philippines, Central and South America. Their most memorable trip was to Dudignac, Argentina where they helped build a church from the ground up, showed the Jesus Film, evangelized the town and several were converted. The church is still active today.

Dan and Trecia have served on the ROAM board since 2015.
