

Ron and Lisa Haley

Ron and Lisa Haley, from West Salem, Ohio, are fairly new to ROAM. However they have already worked on projects in Maine, Tennessee, Georgia, and will be going to Alaska in August.

The Haleys have owned and operated their own rental business for over 30 years. This has given them experience in business, remodeling, and in pinching pennies.

Ron and Lisa have been married for 32 years and have two great kids who are both married. They have held various positions on the church board at Ashland Church of the Nazarene. Lisa has also been on the board for Stonecroft Ministries and is an inspirational speaker for them. She is currently photographing and writing about their adventures for her book, "Roaming Around The Towns."

The Haleys are anxious to spread the word about ROAM and are truly blessed to serve in this capacity.
