

ROAM Application for Assistance Packet

Pastors and Campground Directors:

Thank you for considering how ROAM might help your church/campground. This packet of information for requesting ROAM volunteers should answer most of your questions and provides an Application for Assistance form for you to complete and send to the ROAM office at the address listed on the form.

ROAM provides workers as they are available on a monthly basis. Our workday is 6-hours, our workweek is 4 days (Mon thru Thur), and the work month is three weeks (generally the first three weeks of the month.) We provide labor only and we pay our own way.

We ask each host to complete an Application for Assistance that provides us enough information to advertise the project to our members in sufficient detail for them to decide if they would want to volunteer. Please complete all requested information. (Do not sign or return the Commitment form, which is for your information only.)

In addition to the information on the application form, we ask that you provide directions to RV sites and worksites. Your volunteers may never have been to your area so we ask for as much detail as you can provide. Refer to the nearest large city, a main road junction or highway exit number as the start point. Then describe in detail the description of turns, etc., (Example: Turn right at McDonalds) and detailed instructions to the RV sites.

All project expenses are the responsibility of the host. As our host, you must provide free hook-ups for our RVs in return for our labor. The minimum requirements are:

RV Sites

1. 50 AMP Electricity (preferred)/30 amp (minimum)
2. Fresh water hook-up
3. Sewer dump at the site (4" pipe) or one of the options shown on the application.
4. Road access for RV's
5. RV sites large enough to accommodate large rigs (40' - 60')

Other Facilities

1. Phone access available for 24 hour emergency use
2. Computer port or wireless
3. A room for devotions

Thank you for your interest. Please call if you have questions.
