

Pinelow Camp

By Terry Lounsbury

This time in Pinelow Camp we made shadow boxes with lights for the chapel, remade and painted the benches by the lake for fireside meetings, hung mirrors, put up shelves in the kitchens and bathrooms, and put up trim in the cabins to finish them up.

Nikki and Ron Coil were very helpful and appreciated all that was done. They are reaching out to the community to hopefully bring more to the camp to experience our Holy Father.

The place is beautiful, there is so much to do around the Spokane area, hiking, fishing, skiing and anyone going to help them will be blessed as we have been the last two times we were there.
