23. Additional Comments:

- You will need to supply and have on hand all the materials and permits needed.
- ROAM has rules limiting work on Steep Roofs & Heavy Concrete work.
- The ROAM workweek is four (4) six-hour days (for single ROAMers and at least one of two ROAMers in an RV), and a three-week month, unless otherwise approved by the host.
- Additional ROAMers typically work four (4) three-hour days, unless otherwise approved by the host.
- The length of stay can be more than one three-week month with your approval as host.
- Upon completion of the project month at the host's discretion, the ROAMers occupying an RV space may stay at their site an additional week, usually the last week of the month until Friday of that week without charge.
- You agree to notify the ROAM office 1) of any major changes to the project 2) if you no longer have any space available for RVs or 3) project finished ahead of schedule. The project will be updated on the website and/or pulled from the active listing of projects as appropriate.
- You agree to provide the ROAM Office with work updates at least once a year (if project is on-going).
- ROAM is willing to work with any other Christian groups on the project.

Waiver of liability: We have read all of the *Application for Assistance* and understand it. We have, to the best of our knowledge, answered all the questions honestly and correctly. We agree to reimburse any ROAM member for materials purchased with our authorization. We agree to hold harmless ROAM and its members from any and all responsibilities and/or liabilities connected with any work project in which they are involved.
