## Kile's Korner

As I was reading my devotions yesterday, the verse from Acts 4:13 came alive to me. "When they saw the courage of Peter and John and realized they were unschooled, ordinary men, they were astonished and they took note that these men had been with Jesus." Yes, we are ordinary men and women that are out to do the Lord's work. My prayer is that people can see something different in us. That they can say we have been with Jesus.

I was in the oxygen therapist's office today and he was checking out my usage of my CPAP machine, and he wanted me to relax and sleep. He asked me what kind of music I would like to listen to. I said Southern Gospel, the Collingsworth Family. He found it on YouTube and started playing it. I prayed that this would speak to him as well as me. Afterwards, he said that was beautiful music and a talented family, and Kim sure could play that piano! I told him stories about the group and he asked me to let him know when they come into the area for a concert. Praise the Lord for a chance to witness.

This past month has been busy with District Assemblies, graduations, pulpit supplying, and of course grandparent duties. It has been fun doing all of these. I'm thankful that God gives me strength to do it all.

Our thoughts and prayers go out to one of our own, Phillip Bough, who is anticipating surgery to remove the lower lobe of one of his lungs. The surgery was postponed due to kidney stones the day prior to his scheduled operation. He commented to me that he hates kidney stones but thanks the Lord for them, because it was when he was in for them earlier that they found the cancer. Please keep the Boughs in your prayers.

Have a great summer and wherever you are, be safe and have fun serving the Lord and others.

Ed

## Foothills Camp and Retreat Center

Ron and Lisa Haley

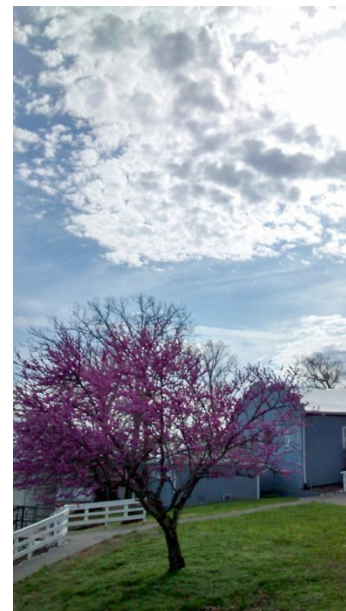

Greetings from Louisville, Tennessee. We have been very busy here at the camp. Pastor Michael Mayfield and his family are great people.

We have painted floors, doors, railings, and walls. We have laid tile, sided buildings, and dropped ceilings in bathrooms. We have helped serve and clean up for about 6 groups so far. We have also been able to enjoy a Men's retreat, a Women's Retreat, and a Tragedy into Triumph live simulcast. We have done a lot of spider chasing and cleaning filters out of ac/heater units. You never know how much goes into tending a campground until you're the one helping tend it!

We were recently joined by Robert and Millie Coward from Michigan, so we are continuing work as a team now. We even went sightseeing with them. An added benefit to working here is that the sunrises are stunning.

The Lord laid it on someone's heart to gift us a camper, so in our down time we have been working on it. It is such a blessing to be involved in this ministry – being a blessing as well as being blessed.

Even though we have had challenges along the way, with family illnesses back home as well some health issues for us, we keep on keeping on! We are headed to Maine in June, then will take a break, reboot, and decide where else we can go to serve our Risen King!

## LifeChange Camp

Trecia Church

LifeChange Camp is in Clinton, MO.

We had a great time. We painted, built, sewed, raked, planted, cleaned, and ate well. One of the weeks we were there, we had reinforcements. Two churches joined us. One of Dan's jobs was to break down pallets to reuse the wood on a wall.

Bill and Carol Anderson, the camp directors at LifeChange Camp, share that they have come to appreciate the support and service of our ROAM members. They are so pleased with this growing relationship.
