

## **Whitney Church of the Nazarene**

By Merl Elder

We arrived in Whitney TX in October 2018 to do some work at the Whitney Church of the Nazarene. We worked with Jack and Kay Grover and Gaylon McMurtry. What a blessing to work with these God fearing, born again Christians. Pastor Greg was an inspiration to us and is a friend in Christ. We worked on some lights inside, repaired interior doors, helped on can collections and did other odd jobs around the church. We also helped serve dinner to the community and we really enjoyed the presence of the Holy Spirit in services.
