

Camp Mission Meadows

Dan and Marlis Williams

ROAM has allowed us amazing opportunities to volunteer at Christian campgrounds and ministries across the country. Camp Mission Meadows in Dewittville, NY, was beautiful. Nearby sightseeing, hiking, and shopping as the foliage began to transform was a welcome change from the warm summer.

A few completed projects: weeding and sprucing up flower beds, cleaning and painting, shampooing carpets, cleaning gutters and installing gutter guards, trimming 10 truckloads of branches and brush, helping serve meals to 100 campers, and a LOT of weed whacking.

May - September are perfect months to volunteer at the camp. It is located on Chautauqua Lake which has nearby hiking, sightseeing and shopping in Jamestown, NY, rich history in the Chautauqua Lake area, and is just 30 minutes from Lake Erie. Any ROAMers would love it here!

We were thrilled to be here and enjoyed the project and the area around Lake Chautauqua.
