

Randy & Cindy Woods

Randy and Cindy are both active members of the Valley View Nazarene Church in Ceres, CA. Randy started as the Youth leader even before they were married, while Cindy finished her BS in Computer Science at NNC in Nampa, ID. They were married in 1987 while the current church building was being finished and have been active members ever since. They have six children and are expecting their eleventh grandchild in May, 2024.

Randy was raised in Riverbank, CA, and took over his mother's Board and Care Home after her death in 1985. He ran the business full-time until recently, as well as being a father and active church leader. He was saved after high school and joined the Ceres church with Cindy when they married. As well as leading the youth for 20 years, he was on the church board for many years and held roles such as finance director, while completing his Course of Study for ministry and was ordained in 2016. He served as Executive Pastor for four years then resigned to travel, serving different projects and organizations including ROAM.

Cindy was raised as a Nazarene pastor's kid while her father pastored in Missouri, Washington, Oregon, Nevada, and California. Along with being the youth leader's wife, she has been a church pianist off and on for Valley View. With her degree, she worked in accounting for 10 years and has been a software developer for Stanislaus County, Modesto, CA since 1999. She still works full-time and works remotely while on ROAM projects.

While on vacation in 2007, the family visited a small church in Northern California. Seeing the need for repairs and little resources there, Randy's heart was drawn to help small churches in this way. Since their first ROAM project in 2014, each one has been a highlight, and in the last eight years as ROAM representatives they have met with the projects on the region and promoted ROAM at several District Assemblies. They look forward to more adventures serving others.
